COMPANY PROFILE

Blinds.mu was the first blind company in Mauritius to come with a new concept when launched 15 years ago, that of online selling. We specialize in the manufacturing and retailing of window blinds with raw materials including fabrics imported from one of the biggest players in South Africa guaranteeing that all the components are tested for their quality and meet the necessary European standards. Its website, www.blinds.mu, has an integrated pricing calculator where the customer can enter their respective dimension and get an instant quote with the different colors available.

Some of our past projects include C.E.B, C.W.A, Victoria Hospital, Airport of Mauritius, Ministry of Justice and Human Rights, Supreme Court, Ministry of Land and Housing, Public Services Commission, Red Cross, Saddul College (motorised blinds). Our most recent major project was for the Ministry of Foreign Affairs, Regional Integration and International Trade at Newton Tower, Supreme Court, Royal Park Balaclava, Omnicane, Terra, Eclasia, MGI, Office of the President, Open University of Mauritius, Grand Thornton Ltd among many others.

Appointments are also arranged in customers' homes/offices to view the extensive ranges of blind fabrics and match them to their rooms' decor. We measure and provide a free quotation in a very quick delay. For free on-site measurement and quote, please feel free to contact us on 5880 5880 or by email on info@blinds.mu. An onsite repair and maintenance service are also offered even for blinds purchased elsewhere.

At Blinds.mu Ltd, we aim "to supply & fit quality products to suit all budgets, providing an efficient service with emphasis on total customer satisfaction". This simple philosophy has resulted in most of our business coming through word of mouth and referrals.

A handwritten signature in blue ink, appearing to read 'Thelma Maharaullee', with a long horizontal line extending to the right.
